

# GENERAL ORDERS

On June 24, 2005, the General Orders of the Western District of Arkansas were updated and recompiled. General Orders are standing orders that direct internal operations of the court and court personnel. The omission of General Orders that did not meet these criteria or have been superseded has created gaps in the existing numbering system. The Court determined not to renumber the General Orders at this time.

<a href="#"><u>General Order 1</u></a>	Termination of Criminal Appeals
